ABSTRACT

The data, arranged in tabular form, concern the number of degrees conferred by level of degree, field of study, and postsecondary institution. The listings of major study fields and specific majors within these fields conforms, with some modification, to the groupings of the HEGIS degree reports submitted for 1974-1975 by Indiana postsecondary institutions. These reports were utilized as the source of the data. Three sections contain: (1) associate degrees conferred at colleges and universities; (2) baccalaureate, master's, and doctorate degrees conferred; and (3) first professional degrees conferred. Within each section, public and private institutions are listed separately. An index to major fields and specializations is included. (Editor/MSE)

Index by Major Fields of Study	41

INTRODUCTION

This report is comprised of data concerning the number of degrees conferred by level of degree, field of study, and Indiana postsecondary institutions. The listing of major study fields and specific majors within these fields conforms, with some modification, to the grouping of the Higher Education General Information Survey (HEGIS) degree reports submitted for 1974-1975 by Indiana postsecondary institutions. These reports were utilized as the source of the data.

Included herein are three (3) sections:

Associate Degrees Conferred, 1974-1975, at Indiana Colleges and Universities

Baccalaureate, Master's, Doctorate Degrees Conferred, 1974-1975, at Indiana Colleges and Universities

First-Professional Degrees Conferred, 1974-1975, at Indiana Colleges and Universities

The first table in each section consists of the number of degrees conferred by Indiana *public* colleges and universities and the second, the number of degrees conferred by Indiana *independent* colleges and universities. Following the three sections is an index containing the major fields of study. With the aid of this index, the reader should be able to locate a specific major listed under any field and the number of degrees awarded in that major.

The academic degree levels covered in this report are:

Degree Levels

Associate
Baccalaureate
First-Professional
Master's
Doctorate

ASSOCIATE

The associate degree level is comprised of at least two but less than four years of postsecondary education which may be either the first two years of a four-year baccalaureate program or a two-year occupational program (e.g. Associate of Arts - A.A., Associate of Science - A.S., or Associate of Applied Science - A.A.S.).

BACCALAUREATE

The baccalaureate degree level includes programs comprised of at least four but not more than five years of college work (e.g. Bachelor of Arts - B.A. or Bachelor of Science - B.S.).

FIRST-PROFESSIONAL

The first-professional degree level is comprised of programs requiring at least two years of previous college work for entrance and a total of at least six years college work for a degree. Included herein are such professicnal degrees as the following: Dentistry (D.D.S. or D.M.D. only), Law (LL.B. or J.D. only), Medicine (M.D. only), Theology (B.D. only), Veterinary Medicine (D.V.M. only), Chiropody, Podiatry (D.S.C. or D.P.), Osteopathy (D.O.), or Optometry (O.D.).

MASTER'S

At the master's level, these are programs requiring one or two years work beyond a baccalaureate degree (e.g. Master of Arts - M.A., Master of Science - M.S., or Master of Business Administration - M.B.A.). Programs leading to the Specialist degree, such as Educational Administration (Ed.A.), are also included at the master's level.

DOCTORATE

The doctorate level consists of programs leading to a doctorate degree (e.g. Doctor of Philosophy - Ph.D., Doctor of Education - Ed.D., or Doctor of Business Administration - D.B.A.).
